

OCSG Ullswater Meet – Tue 5th-Fri 8th September 2023

Hello everyone,

I have arranged a midweek meet at Park Foot campsite. You have the full length of the lake to sail on as Park Foot is the first campsite you come to on the Howtown road out of Pooley Bridge. There is a good launching slip with a jetty, a short walk down a track from the site. Launching is included in your camping fees. It would be advisable to trolley your canoes up next to your pitch at the end of each day for security. For those attending but not camping there is a £5.00 fee per day payable by either a phone call or the use of a QR code at the launching site.

Open fires are not allowed on the camp ground but BBQ's off the ground are.

The pub and restaurant on site I have been assured will still be open. Pooley Bridge is a 10 minute walk away on the lake side path where you will find 3 pubs which also serve food.

The meet dates are as follows:

ARRIVE: Tuesday 5th September after 12 noon (no later than 20:00hrs)

DEPART: Friday 8th September before 11:00

This period should not be too busy as schools go back on the 6th. The campsite will be closing their extra peak-season fields and just having the main ones open.

To book either go on their website, Park Foot Holiday Park (<https://parkfootullswater.co.uk/>) or email them on holidays@parkfootullswater.co.uk or ring 017684 86309. State that you are with the OCSG.

They have electric lakeside, premium and standard pitches and lakeside camping all in the same area.

Please don't reply to this email but let me know at jaspercarrott@yahoo.co.uk when you have booked, or if you have any queries.

Thanks
Jasper Carrott
