

Open Canoe Sailing Group Meet Report

Dates & Venue:

Friday 2nd – Sunday 4th June 2023 at Milarochy Bay Campsite, Loch Lomond G63 0AL

Turnout / Attendance:

14 members with 11 boats

Weather & water conditions:

Mostly dry with lots of hot sunny conditions but not much wind and only moderate midges!

Activities:

Despite such little wind most of the time, extensive cruises were accomplished using a combination of sail and paddle. On Friday most visited Balamaha for coffee, then the northern tip of Inchmurrin for a lazy lunch on the large gravel beach – about 7 miles. Saturday saw a variety of routes, many including through “the narrows.” On Sunday two undertook an epic 12 hour/28 mile cruise up the northern reaches of the loch, while others went osprey spotting. Some also went cycling.

Remarks:

With such little wind outriggers were very little used. The water level was very low with many rock patches visible.
